About the Child of the New Century...

The Child of the New Century is exploring what it is like to grow up in the 21st century by following around 19,000 children born in the UK in 2000/2001, and their families. Your 5-year old brother or sister is one of the children included in this study. He or she has been asked to do some measurements with the interviewer, who has also talked to your parents. We are also interested in you. We'd like to complete the picture of your family by asking you some questions of your own. These are designed for people aged 10-15 which is why you have been asked to do this. If there are more than two 10-15 year olds in your family, you have been selected by chance by the computer.

You may have filled in a booklet like this last time we visited your family. Although the questions are pretty much the same, we are asking you to answer them again so that we can learn how your life has changed over two years. If you didn’t answer them before we are still very interested in what you are able to tell us.

Tell me about yourself...

Please tell us about yourself by answering the questions in this booklet. The questions are about things that happen at school, at home and at other times, your health and your views about the area where you live. Your answers will help us to learn more about the kinds of things that people your age do and what you think about your life.

We are interested in your honest answers and we will not tell anyone what your answers are in a way that would identify you. The questions should take about 10-15 minutes to answer and you can answer them at a time that suits you.

Your parent has given the interviewer permission to give this questionnaire to you, but it is completely up to you whether or not you answer the questions in this booklet. If you do want to, please read the instructions over the page which tell you what to do. You can miss out any question that you don’t want to or can’t answer. If you don’t want to answer any of the questions, then you can give the questionnaire back to the interviewer, post it back in the envelope provided, or simply throw it away.

If you have any questions about the study or the questions in the booklet, please ask the interviewer, your parent or call the study team on Freephone 0800 783 5890.

Thank you very much for reading this.

How to answer the questions

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>✔</td>

</tbody>
</table>

Sometimes you have to write a number in a box, for example:

Write in the number of hours 2 3

If you make a mistake, just put a line through the wrong answer, and put a tick in the box underneath the right answer, like this:

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>✔</td>
</tr>
</tbody>
</table>

When you have finished please put the questionnaire in the envelope provided. If the interviewer is still in your home, give the envelope to them. If not, please post it back as soon as possible or give the envelope to your parent, and they will post it back to us. All your answers will remain confidential.

Please call Freephone 0800 783 5890 if you have any queries.
