National Child Development Study - Stage 5

Your Child

Some Questions About Your Child: _____

AGE: _____ Years

_____ Months

We would like you to answer a few questions about the development and behaviour of your child named above - and to complete a similar booklet for any other children you may have.

YOU WILL NOT HAVE TO ANSWER EVERY QUESTION. The questions are different for children of different ages. So, for any child you will find that you only need to answer some questions.

We've tried to make the questions easy to answer, but if any question is not clear, please make a note of the question number and ask the interviewer about it when she/he collects your completed questionnaire.

Please write in your relationship to this child:

Section Three

Children less than seven years old

**IF YOUR CHILD IS SEVEN OR OVER PLEASE TURN TO
SECTION FOUR ON PAGE 38**

WHAT THIS SECTION IS ABOUT

We are interested in how your child acts during a normal day. Please think about your child during the last two weeks. If he/she has not generally been healthy during the last two weeks, think back to the last two-week period when your child was his/her normal self.

If your child has: **Please answer questions in:**

Not had 1st birthday PART A on page 29

Had 1st but not 2nd birthday PART B on page 32

Had 2nd but not 7th birthday PART C on page 34

The following questions ask about how often your child acted in a certain way.

Think about it before circling the number that goes with your answer, for example,

Almost never 1
Less than half the time 2
Half the time 3
More than half the time **(4)**
