INTRODUCTION

*See also Derived Variables.*

I am carrying out a survey on behalf of the National Children's Bureau. As you may remember, when you were at school you took part in the National Child Development Study - an important study which has been following the lives of all those who, like yourself, were born between the 3rd and 9th of March 1958.

The reason for this survey is to see how you are getting on as an adult. I want to get a picture of all the things you have done since you left school - for example, when you were working, in education, unemployed, doing housework or something else. SHOW DIARY In order to do this I want to establish a few facts first.

Q.1a) SHOWCARD G The Government runs schemes to help young people. Have you ever been on any of these schemes?

Yes..... A SEE b)  
No..... B GO TO Q.2

1b) EXPLAIN TO RESPONDENT THAT YOU WANT TO INCLUDE PERIODS ON THESE GOVERNMENT SCHEMES AS JOBS WHEN FILLING IN THE DIARY.

Q.2 The survey includes a number of people who are handicapped or disabled in some way. Can I just check, are you registered as a disabled person? **N4139**

Q.3 Do you have any longstanding illness, disability or infirmity which limits your activities in any way compared with people of your own age? **N4140**

Q.4 Many handicapped or disabled people work in ordinary factories or offices. Those that cannot, because of the nature or severity of their condition, often find work in sheltered workshops - run by Remploy or the local council or voluntary organisations. Have you ever been employed in a sheltered workshop? **N4141**

Yes..... 1 ASK Q.5 (41)

Q.5 Are you currently employed in a sheltered workshop? **N4142**

EXPLAIN TO RESPONDENT THAT YOU WANT TO INCLUDE PERIODS IN A SHELTERED WORKSHOP AS JOBS WHEN FILLING IN THE DIARY. THEN COMPLETE THE DIARY.
